**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED
FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF
NATIONAL AGRICULTURAL DEVELOPMENT COMPANY (NADEC)
(A SAUDI JOINT STOCK COMPANY)**

Introduction

We have reviewed the accompanying interim condensed statement of financial position of The National Agriculture Development Company ("the Company") as at 30 September 2023, and the related interim condensed statements of profit or loss and comprehensive income for the three-month and nine-month periods ended 30 September 2023, and the related interim condensed statements of changes in equity and cash flows for the nine-month period then ended, and explanatory notes. Board of Directors is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

1. THE COMPANY'S ACTIVITY

The National Agricultural Development Company (NADEC) (the "Company") is a Saudi Joint Stock Company formed under the Royal Decree No. M/41 dated 17 Shawwal 1401H (corresponding to 17 August 1981). NADEC was formerly known as Haradh Agriculture and Livestock Company which was registered in Riyadh under Commercial Registration No. 1010018795 dated 26 Dhul-Hijjah 1398H (corresponding to 26 November 1978).

The Company is engaged in agricultural and livestock production, reclamation of agricultural land, food processing and marketing and distribution of its products.

The Company's financial year begins on January 1 and ends at the end of December of the same year.

The Company's Head office is located at the following address:

Building No. 7049,

Sub No. 2467,

Prince Abdulrahman Bin Abdulaziz Road, Al Murabba District,

Riyadh 11461 – Kingdom of Saudi Arabia.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

These Interim Condensed Financial Statements of the Company have been prepared in accordance with the requirements of the International Accounting Standard- IAS 34 - "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia (KSA) and other standards and pronouncements that are issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA"). Collectively referred as (International Financial Reporting Standards endorsed in the Kingdom of Saudi Arabia).

These Interim Condensed Financial Statements should be read in conjunction with the Financial Statements of the Company for the year ended 31 December 2022 (last annual financial statements). They do not include all the information required to present a complete set of financial statements prepared in accordance with International Financial Reporting Standards (IFRS) that are endorsed in the KSA. However, accounting policies and specific explanatory notes have been included to interpret significant events and transactions in order to understand the changes in the financial position and financial performance of the Company, since the last annual financial statements.

2.2 Basis of Measurement

These Interim Condensed Financial Statements for the three month and nine month periods ended 30 September 2023 have been prepared under the historical cost basis unless stated otherwise, as described in the accounting policies.

2.3 Functional and Presentation Currency

These Interim Condensed Financial Statements have been presented in Saudi Riyal ("SAR") which is also the functional currency of the Company, unless stated otherwise.

2.4 Significant Accounting Policies

New Standards, Amendment to Standards and Interpretations:

There are no new standards issued, however, there are number of amendments to standards which are effective from 1 January 2023 and has been explained in Company's annual Financial Statements, but they do not have a material effect on the Company's Interim Condensed Financial Statements.

3. SIGNIFICANT ACCOUNTING ESTIMATES, JUDGEMENTS AND ASSUMPTIONS

The preparation of the Company's Interim Condensed Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amounts of Revenues, Expenses, Assets and Liabilities, and the accompanying Disclosures, and the disclosure of Contingent Liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

The key assumptions concerning the future and other key sources of estimation, uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial years, are consistent with those disclosed in the last annual financial statements. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur. The significant judgments made by management in applying the Company's accounting policies are consistent with those disclosed in the last annual financial statements.

4. OPERATING SEGMENTS

IFRS 8 requires operating segments to be identified based on internal reports that are regularly reviewed by the Company's executive management and used to allocate resources to segments and assess their performance. The operating segments described below have been prepared in accordance with IFRS 8. The Company operates in two main business segments: Manufacturing of Dairy and foods and Production of Agricultural products. Most of the Company's revenues, profits and assets relate to its operations in Saudi Arabia and arise from these reportable operating segments. The executive management monitors the operational results of these operating segments separately for making decisions about resource allocation and performance evaluation. The performance of the segment is evaluated on a profit or loss basis and is measured in a manner consistent with the profit or loss recognized in the Interim Condensed Financial Statements.

The following is a summary of the operating segments as at and for the nine-month period ended 30 September 2023 (Unaudited)

9.1 LAND

The following matters related to Land held by the Company as at date of Interim Condensed Financial Statements:

Land Occupied by Saudi Arabian Oil (Saudi Aramco)

As per the Royal Order No. (151) dated 9/5/1401H, NADEC was granted the Haradh project, which was invested by NADEC for Agricultural and Livestock Production, including agricultural land, facilities, fixed and movable assets, and energy sources, and it is considered among its properties starting from the date of issuance of Royal Decree No. (M/ 41) on 10/17/1401H approving its establishment.

The title deed was issued by Notary Public at Haradh with No. (87) on 5/15/1403H, with a length of seventy-five kilometers from north to south and five kilometers from east to west, with an area of 375 square kilometers.

NADEC entered into a legal dispute with Saudi Arabian Oil (Saudi Aramco) in respect of some portion of the land and the Supreme Court issued its final judgment on Rabi' al-Awwal 18, 1442H (corresponding to November 4, 2020) to cancel the title deed No. (87) issued to NADEC on 5/15/1403H, and this decision did not oblige the Company to leave or vacate the areas it revived and the areas in which its operational business is located, no essential operations of the Company are located on the disputed land, and NADEC has raised its objects to the decision of the supreme court to the concerned authorities and clarified its position towards the decision.

Based on NADEC's assessment of its legal status and based on discussions with the concerned authorities, the management is largely believes that the ownership of the revived lands that are subject to the use and control of the Company is valid, and it is expected that anew title will be issued to the Company for the revived lands that is which are under the Company control and use after approval of the concerned government authorities. It is also expected that this will lead to a reduction in the land area, which is currently occupied by Saudi Arabian Oil (Saudi Aramco) and a small piece of land in the southern region that is not suitable for agricultural production and is not currently used by the Company. Accordingly, the Company recorded a provision of SR 2.5 million during the previous year.

10. FINANCIAL INSTRUMENTS

Financial Assets and Liabilities are measured at amortized cost except for Equity Investments at Fair value through Other Comprehensive Income (FVOCI) which are measured at fair value. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under market conditions. In the absence of an active market, the asset or liability is measured in the most advantageous market for the asset or liability and relies on the perceptions of market participants to maximize the benefits of using the asset. The Company relied on valuation methods for Equity Investments at FVOCI based on the performance of similar financial assets in an active market considering the performance of the asset itself to maximize benefits from the asset.

The book value and the fair value of all financial assets and financial liabilities does not vary significantly.
